Personal Profile

Motivated Computer Science student with hands-on experience in Machine Learning, Frontend Development, Web Development, and Generative AI. Experienced in building academic and real-world projects while continuously expanding technical skills through industry-recognized certifications and internships. Passionate about solving real-world problems using AI and modern web technologies, with a strong commitment to continuous learning and professional growth.

Education

Bachelor of Science in Computer Science (BSCS)
University of Sindh – Laar Campus, Badin (2024 - Present)

Skills

Technical Skills

HTML5 • CSS3 • Bootstrap • JavaScript • Python
• C++ • PHP • MySQL • JSP • Git • GitHub • GitHub Pages • Machine Learning Fundamentals • Decision Trees • Prompt Engineering • Claude AI • GitHub Copilot • API Fundamentals • Model Context Protocol (MCP)

Professional Skills

Communication • Teamwork • Leadership • Problem Solving • Critical Thinking • Time Management • Research Writing • Technical Documentation • Adaptability • Continuous Learning

Professional Experience

Machine Learning Engineering Intern

- FlyRank AI Internship (July 2026 – Present)
- Developed machine learning projects using search performance datasets.
- Built and documented Decision Tree models.
- Worked on AI portfolio, research documentation, and responsible AI practices.

Frontend Developer Intern

- SoftGrowTech (July 2026 – Present)
- Developing responsive web interfaces.
- Completing weekly frontend development tasks.
- Working with HTML, CSS, Bootstrap, JavaScript, Git, and GitHub.

Projects

- MM Healthcare Management System – Healthcare Web Application
- Computer Lab Management System – Java & SQL Based Project
- Shop Management System – Inventory Management
- Quiz Planner Management System – Academic Project
- Applied Search Intelligence – Machine Learning Project
- Personal Portfolio Website – GitHub Pages

Certifications

- MUET PITP – Web Developer
- Anthropic Academy – AI Fluency Learning Path
- Claude Code 101 & Claude Platform Courses
- Cisco Networking Academy – Python Essentials 1
- Microsoft – Responsible AI with GitHub Copilot
- Microsoft – Microsoft Teams for Education
- IBM SkillsBuild – Introduction to Large Language Models
- IBM SkillsBuild – Machine Learning
